4. TRANSFER TO RESERVES

The Board of Directors have not proposed to transfer any amount to the General Reserve. Therefore, entire profits of ₹ 108.21 crore earned during financial year 2020-21 have been retained in profit and loss account.

5. HUMAN RESOURCE DEVELOPMENT

The Company's recent improvement in the 2020 TBEM Assessment was driven by significant progress in the areas of Senior Leadership, Workforce Environment and Governance Outcomes.

The Company's HR strategy is linked to the overall 7 Pillar strategy. Major actions on this strategy are being covered through two key initiatives: **Project Vector & LeaderBridge**.

Project Vector is a key organizational-wide initiative centered around driving strategic change through the deployment of the "Outside In" organizational structure. It is focused upon preparing the organization to operate in this new way from the beginning of the fiscal year 2022 i.e. April 1, 2021. Several strategic organizational restructuring actions and associated communications are in progress as part of Project Vector.

LeaderBridge is the Company's flagship long-term talent & development initiative with a defined focus of providing coverage in Sales & Delivery Leadership roles that are emerging as part of the Industry Forward structure. The objective of this program is to enable better decision-making in role fitments across the organization by providing a mechanism to validate and leverage leadership quotient. The first phase of this program has been completed and new roles have been mapped to the new organization structure and Client and Delivery Partners for Key accounts.

Additionally, the Company's HR function works closely with Business in the planning and execution of multiple organizational-related initiatives and actions, including organization design, leadership development, effective resource management, performance management review, and skills and competency management. As a function, HR has continued to focus on fostering diversity and inclusion to promote gender diversity in the Company. Company's women workforce now stands at 14% of the total workforce. Company's attrition rate during 2020-21 was 11% which is lower than the industry average. The Members are advised to refer to the relevant section of Management Discussion and Analysis for details of Company Human Resource strategy.

6. BUSINESS EXCELLENCE AND QUALITY INITIATIVES

The Company has adopted the Tata Business Excellence Model (TBEM) as an organizational improvement methodology to achieve excellence in the way it runs its business and implements key strategic initiatives. TBEM focuses on key aspects of the business like Leadership, Strategy, Customer, People, and Processes and outcomes they deliver to improve overall business performance. The Company underwent TBEM external assessment in 2020, and achieved a score of 553, up from 534 in 2017. The TBEM Score of 553 denotes that "there are no major gaps in the deployment of the overall requirement of the TBEM criteria and results address most key customer/stakeholder, market, and process requirements and demonstrate the area of strength". The score of 550+ also positions Tata Technologies as an "Emerging Industry Leader" based on TBEM criteria. Based on the assessment outcomes, the Company has developed specific improvement plans which are being pursued to enhance organizational performance.

The Company has adopted various globally recognized standards to establish its enterprise-level Quality Management System (QMS) and Information Security Management System (ISMS). Internal and external quality audits, customer feedback through Net Promotors Score (NPS), and project level customer satisfaction, inputs from project teams, etc. have helped in continuously improving the QMS processes and related IT tools. The Company's online project tracking system provides real-time visibility of the status of projects to Project Managers, Vertical Heads, and Line of Business Heads.

The Company has adopted the following globally recognized standards:

- ISO 9001: 2015 certification for its facilities in Hinjawadi, SEZ Blueridge, Thane, Jamshedpur, Bangalore, Romania, and Sweden locations
- AS9100D: 2015 for its facilities in Hinjawadi and SEZ Blueridge locations of Pune

21. COVID-19 PANDEMIC AND COMPANY'S PREPAREDNESS

The advent of COVID-19 during the financial year 2020-21 posed challenges towards enabling the workforce for remote working. A Cross-Functional Team (CFT) comprising of IT, HRBP, Delivery Leaders, Administration and Legal team members was instrumental in managing the Work from Home and subsequent Return to Office. A detailed framework was implemented to enable employees to manage remote working not only in terms of systems and tools availability but also overall support. CFT members also collaborated with clients wherever there was a requirement of TTL employees working at client premises/locations. A COVID-19 Response team was set up to support employees and family members in the event of exposure to COVID-19. The Organizational Health & Safety Team led the management of COVID-19 Response processes along with providing vital support for matters such as arranging for hospital admissions, ambulance services and supporting employees and family members with travel arrangements. OH&S team also set up employee sessions with TTL empaneled doctors to support with pre & post COVID-19 management. Employee Assistance Program was also set up for India employees to enable them to deal with the challenges that the pandemic presented.

The Company continues to monitor the evolving situation, caused due to second and third waves of the pandemic, on a country-by-country basis, while ensuring compliance with all local regulations which also continue to evolve. The Company is committed to the adoption of a flexible work from anywhere + work from office model, while at the same time, investing towards improving overall employee wellbeing during these unprecedented circumstances.

22. LOANS AND INVESTMENTS

The particulars of loans, guarantees and investments have been disclosed in the financial statements.

23. PUBLIC DEPOSITS

The Company has not accepted any deposits from the public in terms of Section 73 of the Companies Act, 2013 during the year under review and hence, no amount is outstanding under the head 'Public Deposits' as on March 31, 2021.

24. RELATED PARTY TRANSACTIONS

None of the transactions with related parties fall under the scope of Section 188(1) of the Act. The information on transactions with related parties pursuant to Section 134(3)(h) of the Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 are given in Annexure V in Form No. AOC-2 and the same forms part of this report. All the Related Party Transactions entered by the Company in 2020-21 were in the ordinary course of business and at arm's length basis. All such transactions were reviewed and approved by the Audit Committee from time to time.

25. CORPORATE SOCIAL RESPONSIBILITY

The Company has complied with the provisions of Section 135 of Companies Act 2013 and all its subsequent amendments. The brief outline of the Corporate Social Responsibility (CSR) policy of the Company and the initiatives undertaken by the Company on CSR activities during the year under review are set out in Annexure VI of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021. For other details regarding the CSR Committee, please refer to the Corporate Governance Report, which is a part of this report. The CSR policy is available on https://www.tatatechnologies.com/wp-content/uploads/2017/05/CSR-POLICY-28-June-2014-for-Website-Upload_001.pdf.

26. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

CONSERVATION OF ENERGY INITIATIVES

The Company has been focusing on energy savings measures aimed at reducing green gas effects and carbon foot print while designing the facilities, carrying out improvements in the existing facility and bracing it with the latest energy saving trends available in the trade. Having implemented environmental conservation measures as per statutory norms, your Company has been conferred with "consensus to operate" by Maharashtra Pollution Control Board.

ENERGY SAVINGS: Work from home during COVID-19 environment has become a boon in saving energy to the tune of 41% of the average energy consumption. The Company saved 29,00,773 KWH electrical energy in the year 2020-21, which is equivalent to reduction of 1,245 tons of CO_2 emission. In addition to this, the Company has replaced all CFL indoor lights and security / street lights by diffused reflector LED lights, and also used VFD in the HVAC systems comprising of both in high / low ends, also in water pumping systems. The Company has replaced conventional AC units provided in networking room by integrated cooling racks, which saves energy to the tune of 70 to 75% and pays back within a span of approximately three and a half years. These energy saving measures constitute 15% of the total energy saved.

Water saving measures: The Company has replaced leaking underground pipe lines with CPVC pipe lines and installed VFD driven hydropneumatics system, which could provide a water saving to the tune of 197 lakh litres in the year 2020-21, which is equivalent to CO2 foot print of 21 Metric tons. The Company has sewage treatment plant that recycles approximately 50,000 litres per day, which approximately attributes to CO_2 foot print of 15 Metric tons and in total of 36 Metric Tons of CO_2 emission in both above savings.

TECHNOLOGY ABSORPTION

Last year has been challenging and eventful. During COVID-19 pandemic situation, the Company had enabled business to work remotely and secured business continuity across the globe. Roll out of MS Teams collaboration platform in less than a months' time has helped employees to collaborate efficiently within the organization and with external customers. MS SCCM solution was implemented for operating system deployments and security patch management. This enabled faster system provisioning and

automated patching of end points, which has helped the organization to achieve better compliance levels. IT DR-BCP failover and failback drill tests were completed successfully in Q3. Both Recovery Point Objective (RPO) and Recovery Time Objective (RTO) were met as planned.

Security lifecycle of organization's critical Information Systems and Data starts with identification, classification and segregation of these systems based on the level of confidentiality, integrity and availability that these systems need. These systems were identified and segregated as Corporate Systems, Customer Systems and Endpoint Systems by architecting logical networks to improve the security of critical data. One of the most common security risks in relation to computerized information systems is the danger of unauthorized access to confidential data, the main concern comes from unwanted intruders, or hackers, who use the latest technology and their skills to break into supposedly secure computer networks or to disable them. The Company has implemented robust and Advanced 'Palo Alto Next Generation Firewall' across all the global offices. This firewall has inbuilt IDS / IPS (Intrusion detection and prevention systems), it can detect threats at all seven layers of network including Application layer. It also has cloud-based sandbox technology which can detect and remediate ZERO DAY attacks. Always ON Global protect VPN ensured secured connectivity to corporate infrastructure from users' residences which was seamlessly integrated with NextGen Firewall solution.
